(ii) Issued from 6:00 am onwards and before 8:00 am	<ul style="list-style-type: none">● Classes of school are to be suspended all day.● School will ensure that the premises are open and arrange staff to look after those students who have arrived at school. The school will ensure that conditions are safe before allowing students to return home.● Students who have not left for school should stay home.● If students learn the class suspension announcement on their way to school, they should decide whether to proceed to the school taking into consideration the rain, road, slope or traffic conditions.

Parents may exercise their discretion on deciding whether to allow their children to go to school under the inclement weather conditions. Students should stay at home if parents have considered the weather or traffic conditions are not suitable for attending classes. Allowance will be given to the affected students for being late or absent from school. They will not be penalized under exceptional circumstances.

If the school is in session when the EDB announces the immediate suspension of classes, the school will activate the contingency plan to ensure that our students are kept in safe conditions and proper arrangements have been made for them to return home at an appropriate time. An announcement on the closure of school or suspension of classes does not mean all students are allowed to go home immediately.

Parents may visit the following webpage to read the school's latest arrangements in any exceptional circumstances: <http://www.lycmc.edu.hk>
