Objectives:

- Aims of the Outdoor Study Trip: Outdoor Study Trip is part of our school education. It enhances classroom learning by providing opportunities for pleasurable learning in a natural environment. As the Outdoor Study Trip is considered a formal school activity, all students should behave well as usual.

Remark:.

1. All students must arrive on time through the school entrance of Po Fung Road (near the Metro City).
2. As the Outdoor Study Trip is considered to be a formal school activity for the whole school, **all students are required to attend.** Students who are not able to join the activities must submit a parent letter to the Principal through their class teachers 3 days prior to the day of the activity. If students take sick leave on that day, medical certificates should be submitted to the class teachers upon resumption of school, or playing truant will be regarded.
3. All students have to wear proper PE uniforms.
4. Students with improper dressing or discipline problems will be arranged to stay at the school and regarded as a violation of discipline.
5. Students are encouraged to practice green living. To reduce the disposal of disposable items and reduce pollution, students should bring their own water bottles, hand towels, environment-friendly lunch boxes and tableware.

Guidance notes for the activity:

1. Students are educated to love and preserve our earth and public properties. They should handle rubbish properly.
2. Students must arrive at the designated gathering venue punctually.
3. Bring along the student card and ID Card.
4. Students should take care of their own belongings and they should not bring too much money.
5. Do not meet friends outside school at the venues.
6. Students should not leave the group. In case of emergency, they should report to the teachers promptly.
7. Students should follow the safety guidelines and the instructions given by teachers.
